Celebrations – Mrs. Riedl

Back in school!

Level of growth in ALL kids needs to be improved.

Our data reflects a need for work in foundations in reading.

Seven teachers were sent (paid for by SAC) to Wilson training during summer.

Much of what we learned already about our students was confirmed through the i-Ready Diagnostic.

We are moving more kids to be proficient, but we need to continue to move them when they are proficient.

Reminders:

Walk to School is October 4 at 7:45 a.m. 250 participants so far!

McTeacher Night is Thursday, September 28<sup>th</sup>!

Other Meeting Topics:

Parent Involvement Nights – Do you have ideas?

Input from Mrs. Riedl: Our reason for asking is that teachers put a lot of time and energy into those, and we do have a need. We would like for parents to be involved in understanding what their children are doing in school. "Be a Learner"

What do parents need? A math night!

Stephanie Sanalila suggested online ideas for parents who cannot attend school night due to having young children, schedules, etc.

How can we make it interactive? Perhaps a webinar!

We could also record the live sessions for availability to parents.

Other suggestions included Cyber Security, perhaps with the Sheriff's Office.

Walk to School: Parking lot approval and officer have been confirmed, according to Nery De Los Santos.

Accreditation Survey: Please take the accreditation survey using the computers set up in the library.

Nery was concerned that the survey is actually submitting based on what the survey is doing at the end.

Survey is short! We are shooting for 100% participation!

**Adjournment:** At 4:35

Motion to Adjourn: Nery De Los Santos

Approval: Oscar Medina
