Principal's Report:

Mrs. Riedl

Fall Festival is coming up, parking should be less of an issue.

Veterans Day Celebration - November 9, 2017 - with some new ways to honor those who have served in our military, in spontaneous ways.

Science Adoption materials are available. The process is...Mr. Watson and Mr. Dugas...

We will go to the science adoption room for you to have hands-on experience.

Other Meeting Topics:

Mr. Dugas, parent, explained that we will use a rubric to score the materials, then teachers will use a rubric, and we will suggest to the district which curriculum we would like to see adopted. We would hope that our recommendation would be close to that of the teachers, and if not that we would be able to talk about it.

Mr. Watson, explained that we would not have time to look at all of the curriculum today, but the materials would be available for the next couple of weeks.

Mrs. Riedl

December 14th - Math Learning Night with ORFF and Chorus, as well as Science learning. There will be two set times for math learning. More details will follow.
