Riedl's Roundup

We have some great opportunities for involvement at Mill Creek in the coming weeks! We will be celebrating **Character Counts Week October 26-30**. Please take note of the daily activities listed on the next page. These are fun, exciting ways to engage the students in recognizing and promoting healthy behaviors.

The Six Pillars of CharacterSM

The St. Johns County School district is providing **Florida State Assessment (FSA)** parent informational nights this year. Mill Creek will once again host an informational evening on **Tuesday, October 27th, 6:30 PM**. We invite you to attend as these meetings help our parents gain a deeper understanding of the Florida Assessment. Please visit the district website at www.stjohns.k12.fl.us for more information and for dates of other locations if you cannot attend at MCES.

Also, please remember you can complete a handwritten “give thanks or show appreciation” note to a teacher, staff or faculty member. The postcards are available in the front office and we would love for you to take advantage of this opportunity when you are at the school.

Please support our business partners!
